

Professionalism CLE Opportunity for Municipal Judges

Course Title:

Immigration Matters Related to Abused or Neglected Children, Domestic Violence and Human Trafficking-

Course Description:

Judges and court staff will have timely access to information about the unique dynamics of domestic violence, child abuse, and sexual assault perpetrated against immigrant women and children, as well as the intersections of state laws with federal immigration law. The work spans six key states with established and growing immigrant communities in both urban and rural areas.
